

WESEEHOPE'S HOPE10,000

VIRGIN MONEY GIVING INSTRUCTIONS

Thank you for taking part in the **HOPE10,000** and supporting WeSee**Hope**. Please use the information below to help set up your Virgin Money Giving fundraising page.

FUNDRAISING PAGE SET UP

1. From the main **HOPE10,000** [Virgin Money Giving page](#), click "start fundraising"
2. Log in or register
3. Choose whether you are taking part in the **HOPE10,000** as an individual or a team

If you are doing it as an individual...

1. Insert the challenge you have chosen to set yourself (e.g. 24-hour cycle as part of the **HOPE10,000**)
2. If asked for one of the events listed, please click "doing something else"
3. For the date, either insert the day you are challenging yourself, or the last day of the **HOPE10,000** being 18th September 2020
4. Select WeSee**Hope** as your charity
5. Click no to the question 'have any of your selected charities contributed to the cost of your fundraising?'
6. Publish page

If you are doing it as part of a team...

1. Insert your team name
2. Add the email addresses of the people in your team
3. If they aren't registered, send them an invitation and Virgin Money Giving will add them when they register
4. Input the challenge you have chosen as part of the **HOPE10,000** (e.g. 50km between 5 runners in 5 days)
5. For the date, either insert the day you are challenging yourself, or the last day of the **HOPE10,000** being 18th September 2020.
6. Select WeSee**Hope** as your charity
7. Click no to the question 'have any of your selected charities contributed to the cost of your fundraising?'

8. Publish page

FUNDRAISING PAGE CONTENT

From 17th August - 18th September, ***I am / we are*** taking part in WeSeeHope's **HOPE10,000** by...*[input details of your chosen challenge here]*

The **HOPE10,000** is a virtual challenge where people are coming together to collectively cover 10,000km in a month to support WeSeeHope's work helping vulnerable children and communities in Southern and Eastern Africa during COVID-19.

The pandemic is exacerbating poverty, insecurity and vulnerability – what started as a health crisis is now a social and economic one too. It is predicted that the ramifications are going to be felt for years to come and that is why WeSeeHope's work is now more critical than ever, which you can find out more about [here](#).

10,000km is the average distance from the UK to the five countries they work in - Kenya, Malawi, Tanzania, Uganda and Zimbabwe.

WHAT NEXT?

Please get in touch with Millie@WeSeeHope.org.uk, our Fundraising Manager, to let her know your chosen challenge and if you have any questions.

To kick start your fundraising, take a look at our [top tips](#).
